

# Primed Base & Moulding

Trim is a critical design element that serves both functional and decorative purposes in any room. Spartan offers a selection of 8-foot and 12-foot moulding and base wall options in large quantities to meet your specific needs.

## S4S Square Wall Bases

Primed in 4, 6, and 8-inch heights.

## Quarter Round & Shoe Mouldings

Primed scant quarter round and scant shoe mouldings.
